**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS, EASTERN DIVISION**

FATIMA BUTLER and JULIA SCHOLZ-
PINGER, individually and on behalf of all
others similarly situated,

Plaintiffs,

v.

WHITEPAGES, INC.,

Defendant.

Case No. 19-cv-04871

Hon. Gary S. Feinerman

**DECLARATION OF J. ELI WADE-SCOTT
IN SUPPORT OF PLAINTIFF'S MOTION FOR
ATTORNEYS' FEES, EXPENSES, AND INCENTIVE AWARD**

Pursuant to 28 U.S.C. § 1746, I hereby declare and state as follows:

1. I am an attorney admitted to practice before the Supreme Court of the State of Illinois and the Northern District of Illinois. I am over the age of eighteen years old. I am entering this Declaration in support of Plaintiffs' Motion for and Memorandum in Support of Approval of Attorneys' Fees, Expenses, and Incentive Award ("Fee Petition"). This Declaration is based upon my personal knowledge except where expressly noted otherwise. If called upon to testify to the matters stated herein, I could and would competently do so.

2. I am a partner at the law firm of Edelson PC (also referred to as the "Firm"), which has been retained to represent the named Plaintiffs in this matter, Fatima Butler and Julia Scholz-Pinger ("Plaintiffs"), and I have been appointed Class Counsel—along with Philip L. Fraietta of Bursor & Fisher, P.A. and Roberto Luis Costales and William Beaumont of

Beaumont Costales LLC—on behalf of the Illinois Settlement Class and Ohio Settlement Class (together, the “Settlement Classes”).¹

Settlement History

3. My Firm became involved in this case in May 2021. In July 2021, members of my Firm and counsel for Defendant Whitepages, Inc. (“Defendant”) began discussing the possibility of a global settlement resolution. Counsel for Defendant provided my Firm informal discovery regarding the size and composition of the classes in Illinois and Ohio, which led to the exchanged of initial settlement offers.

4. My Firm then agreed to participate in a full-day, formal mediation session on behalf of Plaintiffs with the Honorable Sidney Schenkier (Ret.) of JAMS in Chicago on September 21, 2021.

5. During the mediation, settlement negotiations between my Firm and counsel for Defendant lasted throughout the day but did not result in a settlement. However, we agreed to continue working with Judge Schenkier toward resolution. After considerable arm’s-length negotiations over the next several months, including through additional conferences held with Judge Schenkier and the informal sharing of information about the proposed settlement classes, the Parties ultimately agreed to resolve both this action and *Kolebuck-Utz v. Whitepages, Inc.*, No. 21-cv-00053 (W.D. Wash.), through a single class action settlement.

6. After four months of additional negotiation on the outstanding material terms and the exchange of additional informal discovery, the Parties fully executed the Settlement Agreement on April 25, 2022.

¹ Except as otherwise indicated, all defined terms used in this Declaration shall have the same meanings ascribed to them in the proposed Settlement Agreement.

Class Counsel's Work in this Litigation

7. In this case, my Firm agreed to undertake Plaintiffs' and the class's case on a contingent basis. We recognized from the beginning that achieving recovery for the class was far from guaranteed, given the many issues of first impression presented in a case brought under the Illinois Right of Publicity Act ("IRPA") 765 ILCS 1075/30(a), and the Ohio Right of Publicity Act ("ORPA"), R.C. § 2741.02.

8. Nevertheless, given our Firm's proven track record of effectively and successfully prosecuting complex class actions (*see* Firm Resume of Edelson PC, attached hereto as Exhibit 3-A), we undertook the prosecution of the class's claims on a purely contingent basis.

9. The Firm Resume of Edelson PC attached hereto as Exhibit 3-A is a true and accurate copy.

10. To date, our Firm has logged 361.1 hours in representing Plaintiffs and the Settlement Classes without compensation in this Action.

11. Our Firm's total lodestar of \$232,016.00 represents the work that we have undertaken since the inception of this case and does not include additional work that will be required through final approval. Our Firm's total lodestar also does not include any time spent preparing Plaintiffs' Fee Petition or any supporting documents.

12. It is our Firm's policy that each attorney is responsible for keeping track of his or her billable time by, at least, the tenth of an hour in a billing management software program known as "Freshbooks[.]"

13. The rates and hours that each attorney and paralegal at our Firm has worked on this matter, as recorded in Freshbooks,² are incorporated into the chart below:

EDELSON PC				
ATTORNEY	YEAR	HOURS	HOURLY RATE	LODESTAR
Ryan Andrews	17	70.6	\$775.00	\$54,715.00
Palden Flynn	1	10.7	\$400.00	\$4,280.00
Michael Ovca	5	2.1	\$475.00	\$997.50
Roger Perlstadt	20	2.4	\$775.00	\$1,860.00
Ari J. Scharg	14	42.2	\$750.00	\$31,650.00
Benjamin S. Thomassen	11	147.1	\$700.00	\$102,970.00
Schuyler Ufkes	5	51.3	\$475.00	\$24,367.50
J. Eli Wade-Scott	8	6.1	\$660.00	\$4,026.00
STAFF MEMBER		HOURS	HOURLY RATE	LODESTAR
Kendall Gail	--	11	\$250.00	\$2,750.00
Jessica Woodard	--	17.6	\$250.00	\$4,400.00
TOTALS		361.1		\$232,016.00

14. Our Firm's Founder and CEO, Jay Edelson, was involved in a supervisory role throughout this Action but is not including his time in the above as an exercise of billing discretion.

15. In addition, the Firm has incurred \$6,024.63 in reimbursable expenses, which includes mediation fees and related delivery costs for mediation briefing.

16. Furthermore, we continue to expend time and other resources in an effort to ensure that the Illinois and Ohio Settlement Class Members secure their relief under the Settlement. Class Counsel will continue to work diligently to ensure the best relief possible for the class members.

² Our firm will produce the detailed billing records contained in Freshbooks for *in camera* review at the Court's request.

Settlement Administration Expenses

17. On August 10, 2022, the Settlement Administrator, Simpluris, Inc., informed me that the total Settlement Administration Expenses for this case will not exceed \$220,000 (\$112,860 for the Illinois Settlement Class and \$107,140 for the Ohio Settlement Class) through completion.

Plaintiff Butler's and Plaintiff Scholz-Pinger's Involvement in this Action

18. Finally, I believe that Plaintiff Fatima Butler's and Plaintiff Julia Scholz-Pinger's participation in this case was critical to its resolution. I believe that Ms. Butler dutifully represented the interests of the Illinois Settlement Class and Ms. Scholz-Pinger dutifully represented the interests of the Ohio Settlement Class throughout their involvement in the case. Upon entering the case as class representatives, Plaintiffs expended time and effort helping Class Counsel investigate their IRPA and ORPA claims, providing information to Class Counsel to prepare the Second Amended Complaint, reviewing that complaint before filing, reviewing and approving the Settlement Agreement before signing it, and conferring with Class Counsel throughout.

19. Were it not for Plaintiffs' efforts and contributions to the litigation, the Settlement Classes would not have obtained the substantial benefits conferred by the Settlement.

20. Neither Plaintiffs' retention agreements nor their participation in this Action were in any way predicated on them receiving any benefit based on their involvement. Plaintiffs were not promised anything in exchange for their service as named plaintiffs or putative class representatives.

21. Ultimately, Plaintiff Butler's and Plaintiff Scholz-Pinger's willingness to commit time to this litigation and undertake the responsibilities involved in representative litigation

resulted in substantial benefits to the Settlement Classes and fully justifies the requested incentive awards.

*

*

I declare under penalty of the perjury that the foregoing is true and correct. Executed on August 10, 2022 at Chicago, Illinois.

Who We Are

EDELSON PC is a law firm concentrating on high stakes plaintiff's work ranging from class and mass actions to public client investigations and prosecutions. The cases we have litigated—as either lead counsel or as part of a broader leadership structure—have resulted in settlements and verdicts totaling over \$20 billion.

- ▶ We hold records for the largest jury verdict in a privacy case (\$925m), the largest consumer privacy settlement (\$650m), and the largest TCPA settlement (\$76m). We also secured one of the most important consumer privacy decisions in the U.S. Supreme Court (*Robins v. Spokeo*). Our class actions, brought against the national banks in the wake of the housing collapse, restored over \$5 billion in home equity credit lines. We served as counsel to a member of the 11-person Tort Claimant's Committee in the PG&E Bankruptcy, resulting in a historic \$13.5 billion settlement. We are the only firm to have established that online apps can constitute illegal gambling under state law, resulting in settlements that are collectively worth \$200 million. We are co-lead counsel in the NCAA personal injury concussion cases, leading an MDL involving over 300 class action lawsuits. And we are representing, or have represented, regulators in cases involving the deceptive marketing of opioids, environmental cases, privacy cases against Facebook, Uber, Google and others, cases related to the marketing of e-cigarettes to children, and cases asserting claims that energy companies and for-profit hospitals abused the public trust.
- ▶ We have testified before the United States Senate and state legislative and regulatory bodies on class action and consumer protection issues, cybersecurity and privacy (including election security, children's privacy and surreptitious geotracking), sex abuse in children's sports, and gambling, and have repeatedly been asked to work on federal, state, and municipal legislation involving a broad range of issues. We speak regularly at seminars on consumer protection and class action issues, and routinely lecture at law schools and other graduate programs.
- ▶ We have a "one-of-a-kind" investigation team that sets us apart from others in the plaintiff's bar. Our dedicated "internal lab of computer forensic engineers and tech-savvy lawyers" investigate issues related to "fraudulent software and hardware, undisclosed tracking of online consumer activity and illegal data retention," among numerous other technology related issues facing consumers. Cybersecurity & Privacy Practice Group of the Year, Law360 (January 2019).

► Instead of chasing the headlines, our case development team is leading the country in both identifying emerging privacy and technology issues, as well as crafting novel legal theories to match. Some examples of their groundbreaking accomplishments include: demonstrating that Microsoft and Apple were continuing to collect certain geolocation data even after consumers turned “location services” to “off”; filing multiple suits revealing mobile apps that “listen” through phone microphones without consent; filing a lawsuit stemming from personal data collection practices of an intimate IoT device; and filing suit against a data analytics company alleging that it had surreptitiously installed tracking software on consumer computers.

As the Hollywood Reporter explained, we are “accustomed to big cases that have lasting legacy.”

In the News

The firm and our attorneys regularly get recognized for our groundbreaking work. We have been named by Law360 as a Consumer Protection Group of the Year (2016, 2017, 2019, 2020), a Class Action Group of the Year (2019), a Plaintiff's Class Action Powerhouse (2017, 2018, 2019), a Cybersecurity and Privacy Group of the Year (2017, 2018, 2019, 2020), a "Privacy Litigation Heavyweight," a "Cybersecurity Trailblazer" by The National Law Journal (2016) and won sole recognition in 2019 as "Elite Trial Lawyers" in Gaming Law. The National Law Journal also recognized us as "Elite Trial Lawyers" in Consumer Protection (2020, 2021), Class Action (2021), Privacy/Data Breach (2020), Mass Torts (2020), and Sports, Entertainment and Media Law (2020). In 2019, we were recognized for the third consecutive year as an "Illinois Powerhouse," alongside Barack Ferrazzano, Winston & Strawn, Schiff Hardin and Mayer Brown; in each year, we were the only plaintiff's firm, and the only firm with fewer than one hundred lawyers, recognized. In 2021, we were awarded the Diversity Initiative Award by The National Law Journal, given to the plaintiff's firm demonstrating a concerted and successful effort to promote diversity within its organization and the profession at large.

- ▶ Our founder has been recognized as a "Titan of the Plaintiff's Bar" by Law360, one of "America's top trial lawyers" in the mass action arena, a LawDragon 2020 Leading Plaintiff Financial Lawyer, and one of "Chicago's Top Ten Startup Founders Over Age 45" by Tech.co—the only law firm founder to win such an award. Our Global Managing Partner was recognized as a top 100 lawyer in California by California Daily Journal (2020, 2021).
- ▶ We have also been recognized by courts for our approach to litigation, which led the then-Chief Judge of the United States Court for the Northern District of Illinois to praise our work as "consistent with the highest standards of the profession" and "a model of what the profession should be. . . ." *In re Kentucky Fried Chicken Coupon Mktg. & Sales Practices Litig.*, No. 09-cv-7670, MDL 2103 (N.D. Ill. Nov. 30, 2011). Likewise, in appointing our firm interim co-lead in one of the most high-profile banking cases in the country, a federal court pointed to our ability to be "vigorous advocates, constructive problem-solvers, and civil with their adversaries." *In Re JPMorgan Chase Home Equity Line of Credit Litig.*, No. 10-cv-3647 (N.D. Ill. July 16, 2010).

Our Practice

General Mass/Class Tort Litigation

We currently represent, among others, labor unions seeking to recover losses arising out of the opioid crisis, classes of student athletes suffering from the long-term effects of concussive and sub-concussive injuries, hundreds of families suffering the ill-effects of air and water contamination in their communities, and individuals damaged by the “Camp Fire” in Northern California.

Representative cases and settlements include:

- ▶ Representing over 1,000 victims of the Northern California “Camp Fire,” allegedly caused by utility company Pacific Gas & Electric. Served as counsel to a member of the 11-person Tort Claimants' Committee in the PG&E Bankruptcy, resulting in a historic \$13.5 billion settlement.
- ▶ Representing hundreds of victims of Oregon's 2020 "Beachie Creek" and "Holiday Farm" fires, allegedly caused by local utility companies. The Beachie Creek and Holiday Farm fires together burned approximately 400,000 acres, destroyed more than 2,000 structures, and took the lives of at least six individuals.
- ▶ *In re Nat'l Collegiate Athletic Ass'n Single School/Single Sport Concussion Litig.*, No. 16-cv-8727, MDL No. 2492 (N.D. Ill.): Appointed co-lead counsel in MDL against the NCAA, its conferences, and member institutions alleging personal injury claims on behalf of college football players resulting from repeated concussive and sub-concussive hits.
- ▶ Representing numerous labor unions and health and welfare funds seeking to recover losses arising out of the opioid crisis. See, e.g., *Illinois Public Risk Fund v. Purdue Pharma L.P., et al.*, No. 2019-CH-05847 (Cir. Ct. Cook Cty., Ill.); *Int'l Union of Operating Eng'rs, Local 150, et al. v. Purdue Pharma L.P., et al.*, No. 2019-CH-01548 (Cir. Ct. Cook Cty., Ill.); *Village of Addison et al. v. Actavis LLC et al.*, No. 2020-CH-05181 (Cir. Ct. Cook Cty., Ill.).

Environmental Litigation

We represent hundreds of families harmed by the damaging effects of ethylene oxide exposure in their communities, consumers and businesses whose local water supply was contaminated by a known toxic chemical, and property owners impacted by the flightpath of Navy fighter planes.

Representative cases and settlements include:

- ▶ Representing three state Attorneys General in their investigations into contamination and exposure issues resulting from a “forever chemical” commonly referred to as PFAS.
- ▶ Representing a state Attorney General in investigating and potentially litigating matters related to the problematic use of a pesticide used in homes, on agricultural crops, lawns, and gardens, and as a fumigating agent—that is now known to have contaminated soil and groundwater.
- ▶ Representing hundreds of individuals around the country that are suffering the ill-effects of ethylene oxide exposure—a gas commonly used in medical sterilization processes. We have brought over 100 personal injury and wrongful death cases against EtO emitters across the country, as well as numerous medical monitoring class actions. *Brincks et al. v. Medline Indus., Inc., et al.*, No. 2020-L-008754 (Cir. Ct. Cook Cty., Ill.); *Leslie v. Steris Isomedix Operations, Inc., et al.*, No. 20-cv-01654 (N.D. Ill.); *Jackson v. 3M Company, et al.*, No. 19-cv-00522 (D.S.C.).
- ▶ Representing hundreds of individuals who have been exposed through their own drinking water and otherwise to PFAS and related “forever chemicals” used in various applications. This exposure has allegedly led to serious health issues, including cancer, as well as the devaluation of private property due to, among other things, the destruction of the water supply. In conjunction with our work in this space, we have been appointed to the Plaintiff's Executive Committee in *In re: Aqueous Film-Forming Foams (AFFF) Prods. Liability Litig.*, 18-mn-2873-RMG, MDL No. 2873 (D.S.C.).
- ▶ Representing property owners on Whidbey Island, Washington, whose homes sit directly in the flightpath of dozens of Navy fighter planes. The Navy is alleged to have significantly increased the number of these planes at the bases at issue, as well as the frequency of their flights, to the detriment of our clients’ privacy and properties. *Pickard v. USA*, No. 19-1928L (Ct. Fed. Claims); *Newkirk v. USA*, No. 20-628L (Ct. Fed. Claims).
- ▶ Our team has been designated as Panel Members on a State Attorney General's Environmental Counsel Panel.

Banking, Lending, and Finance Litigation

We were at the forefront of litigation arising from the aftermath of the federal bailouts of the banks. Our suits included claims that certain banks unlawfully suspended home credit lines based on pretextual reasons, and that certain banks failed to honor loan modification programs. We achieved the first federal appellate decision in the country recognizing the right of borrowers to enforce HAMP plans under state law. The court noted that “[p]rompt resolution of this matter is necessary not only for the good of the litigants but for the good of the Country.” *Wigod v. Wells Fargo Bank, N.A.*, 673 F.3d 547, 586 (7th Cir. 2012) (Ripple, J., concurring). Our settlements restored billions of dollars in home credit lines to people throughout the country.

Representative cases and settlements include:

- ▶ *In re JP Morgan Chase Bank Home Equity Line of Credit Litig.*, No. 10-cv-3647 (N.D. Ill.): Co-lead counsel in nationwide putative class action alleging illegal suspensions of home credit lines. Settlement restored between \$3.2 billion and \$4.7 billion in credit to the class.
- ▶ *Hamilton v. Wells Fargo Bank, N.A.*, No. 09-cv-04152-CW (N.D. Cal.): Lead counsel in class actions challenging Wells Fargo’s suspensions of home equity lines of credit. Nationwide settlement restored access to over \$1 billion in credit and provides industry leading service enhancements and injunctive relief.
- ▶ *In re Citibank HELOC Reduction Litig.*, No. 09-cv-0350-MMC (N.D. Cal.): Lead counsel in class actions challenging Citibank’s suspensions of home equity lines of credit. The settlement restored up to \$653 million worth of credit to affected borrowers.
- ▶ *Wigod v. Wells Fargo*, No. 10-cv-2348 (N.D. Ill.): Obtained first appellate decision in the country recognizing the right of private litigants to sue to enforce HAMP plans. Settlement provided class members with permanent loan modifications and substantial cash payments.

Privacy and Data Security

The New York Times has explained that our “cases read like a time capsule of the last decade, charting how computers have been steadfastly logging data about our searches, our friends, our bodies.” Courts have described our attorneys as “pioneers in the electronic privacy class action field, having litigated some of the largest consumer class actions in the country on this issue.” See *In re Facebook Privacy Litig.*, No. 10-cv-02389 (N.D. Cal. Dec. 10, 2010) (order appointing us interim co-lead of privacy class action); see also *In re Netflix Privacy Litig.*, No. 11-cv-00379 (N.D. Cal. Aug. 12, 2011) (appointing us sole lead counsel due, in part, to our “significant and particularly specialized expertise in electronic privacy litigation and class actions”). In *Barnes v. Aрызta*, No. 17-cv-7358 (N.D. Ill. Jan. 22, 2019), the court endorsed an expert opinion finding that we “should ‘be counted among the elite of the profession generally and [in privacy litigation] specifically’ because of [our] expertise in the area.”

Representative cases and settlements include:

- ▶ *In re Facebook Biometric Privacy Litig.*, No. 15-cv-03747 (N.D. Cal.): Filed the first of its kind class action against Facebook under the Illinois Biometric Information Privacy Act, alleging Facebook collected facial recognition data from its users without authorization. Appointed Class Counsel in securing adversarial certification of class of Illinois Facebook users. Case settled on the eve of trial for a record breaking \$650 million.

Privacy and Data Security

- ▶ *Spokeo, Inc. v. Robins*, 136 S. Ct. 1540 (2016): Lead counsel in the landmark case affirming the ability of plaintiffs to bring statutory claims for relief in federal court. The United States Supreme Court rejected the argument that individuals must allege “real world” harm to have standing to sue in federal court; instead the court recognized that “intangible” harms and even the “risk of future harm” can establish “standing.” Commentators have called *Spokeo* the most significant consumer privacy case in recent years.
- ▶ *Birchmeier v. Caribbean Cruise Line, Inc., et al.*, No. 12-cv-4069 (N.D. Ill.): Co-lead counsel in class action alleging that defendant violated federal law by making unsolicited telemarketing calls. On the eve of trial, the case resulted in the largest Telephone Consumer Protection settlement to date, totaling \$76 million.
- ▶ *Satterfield v. Simon & Schuster, Inc.*, 569 F.3d 946 (9th Cir. 2009): Won first ever federal decision finding that text messages constituted “calls” under the TCPA. In total, we have secured text message settlements worth over \$100 million.
- ▶ *Kusinski v. ADP LLC*, No. 2017-CH-12364 (Cir. Ct. Cook Cty. Ill.): Secured key victories establishing the liability of time clock vendors under the Illinois Biometric Information Privacy Act and the largest-ever BIPA settlement in the employment context with a time clock vendor for \$25 million.
- ▶ *Dunstan v. comScore, Inc.*, No. 11-cv-5807 (N.D. Ill.): Lead counsel in certified class action accusing Internet analytics company of improper data collection practices. The case settled for \$14 million.
- ▶ *Doe v. Ann & Robert H. Lurie Children’s Hosp. of Chi.*, No. 2020-CH-04123 (Cir. Ct. Cook Cty., Ill.): Lead counsel in a class action alleging breach of contract, breach of confidentiality, negligent supervision, and other claims against Lurie Children’s Hospital after employees allegedly accessed medical records without permission.

Privacy and Data Security

- ▶ *American Civil Liberties Union et al. v. Clearview AI, Inc.*, No. 2020-CH-04353 (Cir. Ct. Cook Cty., Ill.): Representing the American Civil Liberties Union in lawsuit against Clearview AI for violating the Illinois Biometric Information Privacy Act through its collection and storage of Illinois residents' faceprints.
- ▶ *Consumer Watchdog v. Zoom Video Commc'ns, Inc.*, No. 20-cv-02526 (D.D.C): Representing advocacy group Consumer Watchdog in its lawsuit against Zoom Video Communications Inc, alleging the company falsely promised to protect communications through end-to-end encryption.
- ▶ *Mocek v. AllSaints USA Ltd.*, No. 2016-CH-10056 (Cir. Ct. Cook Cty, Ill.): Lead counsel in a class action alleging the clothing company AllSaints violated federal law by revealing consumer credit card numbers and expiration dates. Case settled for \$8 million with class members receiving about \$300 each.
- ▶ *Resnick v. Avmed*, No. 10-cv-24513 (S.D. Fla.): Lead counsel in data breach case filed against a health insurance company. Obtained landmark appellate decision endorsing common law unjust enrichment theory, irrespective of whether identity theft occurred. - ▶ *N.P. v. Standard Innovation (US), Corp.*, No. 1:16-cv-08655 (N.D. Ill.): Brought and resolved first ever IoT privacy class action against adult-toy manufacturer accused of collecting and recording highly intimate and sensitive personal use data. Case resolved for \$3.75 million.
- ▶ *Halaburda v. Bauer Publ'g Co.*, No. 12-cv-12831 (E.D. Mich.); *Grenke v. Hearst Commc'ns, Inc.*, No. 12-cv-14221 (E.D. Mich.); *Fox v. Time, Inc.*, No. 12-cv-14390 (E.D. Mich.): Lead counsel in consolidated actions brought under Michigan's Preservation of Personal Privacy Act, alleging unlawful disclosure of subscribers' personal information to data miners. In a ground-breaking decision, the court denied three motions to dismiss finding that the magazine publishers were covered by the act and that the illegal sale of personal information triggers an automatic \$5,000 award to each aggrieved consumer. Secured a \$30 million in cash settlement and industry-changing injunctive relief.

General Consumer Matters

We have represented plaintiffs in consumer fraud cases in courts nationwide against companies alleged to have been peddling fraudulent software, engaging in online gambling businesses in violation of state law, selling defective products, or engaging in otherwise unlawful conduct.

Representative cases and settlements include:

- ▶ Having secured a watershed Ninth Circuit victory for consumers in *Kater v. Churchill Downs Inc.*, 886 F.3d 784 (9th Cir. 2018), we are now pursuing consumer claims against more than a dozen gambling companies for allegedly profiting off of illegal internet casinos. Settlements in several of these cases total \$200 million.
- ▶ Prosecuted over 100 cases alleging that unauthorized charges for mobile content were placed on consumer cell phone bills. Cases collectively settled for over \$100 million. See, e.g., *McFerren v. AT&T Mobility LLC*, No. 08-cv-151322 (Sup. Ct. Fulton Cty., Ga.); *Paluzzi et al. v. mBlox, Inc., et al.*, No. 2007-CH-37213, (Cir. Ct. Cook Cty., Ill.); *Williams et al. v. Motricity, Inc. et al.*, No. 2009-CH-19089 (Cir. Ct. Cook Cty., Ill.).
- ▶ *Edelson PC v. Christopher Bandas, et al.*, No. 1:16-cv-11057 (N.D. Ill.): Filed groundbreaking lawsuit seeking to hold professional objectors and their law firms responsible for, among other things, alleged practice of objecting to class action settlements in order to extort payments for themselves, and the unauthorized practice of law. After several years of litigation and discovery, secured first of its kind permanent injunction against the objector and his law firm, which, inter alia, barred them from practicing in Illinois or asserting objections to class action settlements in any jurisdiction absent meeting certain criteria.
- ▶ Brought numerous cases alleging that defendants deceptively designed and marketed computer repair software. Cases collectively settled for over \$45 million. *Beaton v. SpeedyPC Software*, 907 F.3d 1018 (7th Cir. 2018).

General Consumer Matters

- ▶ *McCormick, et al. v. Adtalem Glob. Educ., Inc., et al.*, No. 2018-CH-04872 (Cir. Ct. Cook Cty., Ill): After students at one of the country's largest for-profit colleges, DeVry University, successfully advanced their claims that the school allegedly induced them to enroll and charged a premium based on inflated job placement statistics, the parties agreed to a \$45 million settlement—the largest private settlement DeVry has entered into regarding the claims.
- ▶ *1050 W. Columbia Condo. Ass'n v. CSC ServiceWorks, Inc.*, No. 2019-CH-07319 (Cir. Ct. Cook Cty., Ill): Representing a class of landlords in securing a multifaceted settlement—including a cash component of up to \$30 million—with a laundry service provider over claims that the provider charged fees that were allegedly not permitted in the parties' contracts. The settlement's unique structure allows class members to choose repayment in the near term, or to lock in more favorable rates for the next decade.
- ▶ *Dickey v. Advanced Micro Devices, Inc.*, No. 15-cv-4922 (N.D. Cal.): Lead counsel in a complex consumer class action alleging AMD falsely advertised computer chips to consumers as “eight-core” processors that were, in reality, disguised four-core processors. The case settled for \$12.1 million.
- ▶ *Barrett v. RC2 Corp.*, No. 2007 CH 20924 (Cir. Ct. Cook Cty., Ill.): Co-lead counsel in lead paint recall case involving Thomas the Tank toy trains. Settlement was valued at over \$30 million and provided class with full cash refunds and reimbursement of certain costs related to blood testing.

Prior to entering academia, I was a lawyer at the national office of the American Civil Liberties Union (ACLU) for nearly a decade, during which time I pursued civil rights campaigns on behalf of minority groups. Based on that experience, it strikes me that what Class Counsel have pursued here is closer in form to a civil rights litigation campaign than it is to a series of discrete class action settlements. Class Counsel saw an injustice – a thinly disguised form of gambling preying on those most vulnerable to addictive gambling – and they sought to fix it. Their goal was not to win a case but to reform an entire industry, much like a civil rights campaign might aim to reform a particular type of discriminatory practice across an entire employment sector. To accomplish this end, Class Counsel went far beyond what lawyers pursuing a simple class action case would normally do. Class Counsel pursued multiple cases. Class Counsel pursued multiple defendants. Class Counsel filed actions in multiple forums. Class Counsel tested various state laws. Class Counsel built websites to help app users avoid forced arbitration clauses, lobbied legislators and regulators, and took their efforts to the media. When Class Counsel lost, they did not give up, but changed tactics or forums and kept going. And they did all of this with their own funds, risking millions of dollars of their own money to end this practice. What they have achieved so far, with these initial settlements, is an astounding accomplishment that begins to chip away at the pernicious underlying social casinos.

the Newberg on Class Actions (5th Edition).

Insurance Matters

We have successfully represented individuals and companies in a multitude of insurance related actions, including dozens of businesses whose business interruption insurance claims were denied by various insurers in the wake of the COVID-19 crisis. We successfully prosecuted and settled multi-million dollar suits against J.C. Penney Life Insurance for allegedly illegally denying life insurance benefits under an unenforceable policy exclusion and against a Wisconsin insurance company for terminating the health insurance policies of groups of self-insureds.

Representative cases and settlements include:

- ▶ *Biscuit Cafe Inc. et al. v. Society Ins., Inc.*, No. 20-cv-02514 (N.D. Ill.); *America's Kids, LLC v. Zurich American Ins. Co.*, No. 20-cv-03520 (N.D. Ill.); *MAIA Salon Spa and Wellness Corp. et al. v. Sentinel Ins. Co., Ltd. et al.*, No. 20-cv-3805 (E.D.N.Y.); *Badger Crossing, Inc. v. Society Ins., Inc.*, No. 2020CV000957 (Cir. Ct. Dane Cty., WI); and *Sea Land Air Travel, Inc. v. Auto-Owners Inc. Co. et al.*, No. 20-005872-CB (Cir. Ct. Wayne Cty., MI): In one of the most prominent areas for class action litigation related to the COVID-19 pandemic, we were among the first to file class action lawsuits against the insurance industry to recover insurance benefits for business owners whose businesses were shuttered by the pandemic. We represent an array of small and family-owned businesses—including restaurants and eateries, movie theatres, salons, retail stores, healthcare providers, and travel agencies—in a labyrinthine legal dispute about whether commercial property insurance policies cover business income losses that occurred as a result of business interruptions related to the COVID-19 pandemic. With over 800 cases filed nationwide to date, we have played an active role in efforts to coordinate the work of plaintiffs' attorneys through the Insurance Law Section of the American Association for Justice (AAJ), including by leading various roundtables and workgroups as the State Co-Chairs for Illinois, Wisconsin, and Michigan of the Business Interruption Litigation Taskforce (BILT), a national collaborative of nearly 300 practitioners representing policyholders in insurance claims arising out of the COVID-19 pandemic.

Insurance Matters

Law360 noted that he has “taken on some of the biggest companies and law firms in the world and has had success where others have not.” Another publication explained that “when it comes to legal strategy and execution, Jay is simply one of the best in the country.” Professor Todd Henderson, the Michael J. Marks Professor of Law at the University of Chicago Law School, opined that when thinking about “who’s the most innovative lawyer in the US ... [Jay is] at or near the top of my list.”

Of Counsel explained that Jay has made a career out of “battling bullies”:

Big banks. Big tech firms. Big Pharma. The big business that is the NCAA. Plaintiff’s attorney Jay Edelson wages battle against many of the nation’s most fortified institutions. Not only does he refuse to back down to anyone, regardless of their stature or deep pockets, he welcomes the challenge.

Edelson earned a monumental victory in the US Supreme Court in what’s been characterized as one of the most important consumer privacy cases of the last several years, Robins v. Spokeo. He and his team are leading the charge against the NCAA in representing former college football players who suffered concussions, and their families. And, on behalf of labor unions and governmental bodies, he’s elbow-deep in litigation against pharmaceutical companies and distributors for their pivotal role in the opioid crisis.

Simply put, he’s a transformational lawyer.
